

E = 2022-23, L = 2025-26, NAME (primary). (a) Null markers: ρ that stayers would show if only papers led by newcomer first keys had changed (titles are shared by co-authors); thin line below each ρ: two-way (key, paper) CI. (b) Scenario values are not bounds on ρ. (c) Pink: teams without newcomers (fixed-base and 2-year rows use E = 2023); blue: reference contrasts. (d) Accounting only.
